

## New Products

### Exuma Heat Presses

Our new Exuma clamshell heat press offers many features of more expensive presses at a much lower cost! This affordable, durable press has a digital time and temperature readout as well as a cast in tubular heating

element, assuring that your presses will be even and precise every time!

Available in 11" x 15" and 16" x 20" clamshell presses, as well as a cap press!

### Sticky Flock Rhinestone Template Material

Our new Sticky Flock rhinestone template material is a great choice when designing rhinestone templates and patterns. Creating rhinestone templates has never been easier!

Sticky Flock is the only repositionable material on the market, featuring a special adhesive that allows you to mix and match unique templates on one workspace - no need to cut new templates for every design! Check out our video showing how easy it is to use in our Video
